

EBRAHIM ALKHULIDI

Safety & Security Engineer

Profile

Safety & Security Engineer with strong knowledge in occupational safety standards, risk assessment, and industrial safety systems. Skilled in preventive maintenance, hazard identification, and HSE compliance with hands-on training experience in industrial environments. Eager to apply technical expertise and problem-solving skills to enhance workplace safety and support innovative safety solutions.

Education

B.Sc. Mechatronics Engineering at Sanaa University, Yemen Sanaa

September 2020 - January 2025

WORK EXPERIENCE

Industrial Safety Intern – HSA Group – Yemen Egyptian Pharma Company, Sana'a, Yemen

July 2025 – September 2025 • [↗](#)

- During my internship at HSA Group, I conducted safety inspections and assisted in maintaining GMP and safety compliance. I supported preventive maintenance activities to reduce hazards and risks, and collaborated with engineers to implement improvements that enhanced machine safety and workplace reliability.

Production & Safety Intern – Jawda Food Factory, Sana'a, Yemen

May 2025 – June 2025 • [↗](#)

- In this role, I ensured that production processes complied with HACCP safety standards. I carried out safety checks and preventive maintenance to minimize hazards, and assisted in aligning production activities with occupational health and safety requirements.

Safety & Maintenance Intern – Textile & Weaving Factory, Sana'a, Yemen

January 2025 – February 2025

- At the Textile & Weaving Factory, I conducted daily machine safety inspections and risk assessments. I supported compliance with safety protocols while monitoring production quality, and helped reduce potential hazards by participating in safety-focused maintenance tasks.

Skills

Safety & Security Skills: Occupational Safety & Health (OSHA Standards) - Fire Safety Systems & Emergency Response, Hazard Identification & Risk Assessment (HIRA), HSE Compliance & Safety Audits

Soft Skills: Team Collaboration, Problem-Solving, Time Management, Analytical Thinking, Adaptability, Communication (Verbal & Written)
